1. Cinekid ScreeningClub is a digital sales library where accredited guests of Cinekid for Professionals can screen over 400 recent (European) children's film and TV productions, including (a part of) Cinekid's festival programme.
2. Submissions need to be feature films, short films or episodic productions for children and youth, and can either be live-action, documentary and/or animation.
3. We only accept completed films/series produced after October 2021. Rough cuts of films/series are not accepted, colour correction and sound mix should also be final.
 - a. It is possible to submit a work in progress version for our Junior Co-production Market, read more about it [here](#).
4. Productions that have been selected for previous editions of the ScreeningClub will not be selected again.
5. We only accept productions that are either English spoken or have English subtitles.
6. Productions can only be entered by submitting the online Film / TV entry form, in all cases an online screener should be included in the entry form. If the production is selected for the ScreeningClub, you will receive an invitation to upload your film in the ScreeningClub.
 - a. For TV-series: Each episode should be provided in a separate file.
 - b. For the best performance in the ScreeningClub, at least a HD file should be submitted.
 - c. Files should not start with black screens or test charts.
 - d. Files should not contain timecodes or watermarks.
 - e. Files should have the highest possible encoding options.
7. Only entry forms that have been submitted within the deadline of 12 September 2022 will be taken into consideration.
8. You can access and export a report detailing which productions have been screened by which professionals.
9. The submission of an entry implies acceptance of these regulations.
