2. Cinekid Script LAB is supported by the Creative Europe MEDIA programme and is a collaboration between Cinekid for Professionals and six European Institutes: Athens International Children's Film Festival (GR), Flanders Audiovisual Fund (BE), Norwegian Film Institute (NO), Swedish Film Institute (SE), Netherlands Film Fund (NL), and the Icelandic Film Institute (IC).
3. The final selection consists of maximum 15 projects:
  - a. Up to 6 projects are selected through our partner institutes (as listed above). Please note that the institutes inform the project about their nomination beforehand.
    - i. When selected through one of the partnering institutes, the participation fee is covered by that institute.
  - b. Up to 9 projects are selected through our open call. When selected through the open call, the participation fee of €6.500, - is for your own account.
    - i. Participation is only possible when the fee is paid before the start of the first residency.
4. Cinekid allocates max. three scholarships that each covers 50% of the participation fee. These scholarships can only be assigned to participants from countries with low production capacity, as indicated by Creative Europe. We encourage participants to apply for financial support with their national/regional funding bodies first. Which projects will receive a scholarship will also be announced in the week of 8 July 2024.
5. Cinekid Script LAB is a European action, but there is room for a maximum of two projects from outside the [Creative Europe MEDIA countries](#).
